Venice Gives \$25 Increase To Workers

New Budget for City
Amounts to \$506,139
Boost of \$36,874

A new 1968-69 operational budget of \$506,139, embodying salary raises of \$25 per month for all full-time city employees, was adopted by the Venice city council in regular meeting Friday night.

The appropriation is up \$36,874 over last year's \$469,265 figure for that part of the budget covering municipal operating costs. Actually the total budget amounted to \$526,139, but of this amount \$420,000 is a routine carry-over appropriation for the city's share of cost in building the proposed Broadway underpass on which work is expected to start within the next few months.

The \$420,000 underpass appropriation has been carried annually in the Venice city budget for the past three years.

Some Not Included

Virtually all of the increase in the new Venice budget is represented in salary raises provided for all city employees working on a full-time basis. These will not include the city attorney, engineers, building and health inspectors or library workers.

Commenting on the new budget, and particularly the salary boost, Mayor John E. Lee told the council:

"The salary increases in this budget are the best that we can do at this time. We realize that other areas have given larger increases, but their (financial) condition is better than ours at the present time."

His statement apparently was in response to action of the Madison council a week ago in approving across-the-board salary increases of \$100 a month for full-time employees and substantial percentage increases to other workers.

Venice employees were given a \$25 salary increase last year, when no increases were given at Madison.

A total of \$108,840 for salaries in the police department is provided in the new appropriation

Thos. Mundy, 10, Burn Victim, is Off Critical List

Thomas Dean Mundy Jr., 10, who was burned severely last Tuesday afternoon when gasoline exploded and he was sprayed and enveloped in flames, was taken off the critical list yesterday at Cardinal Glennon Hospital, St. Louis, but probably will be a patient there at least six months.

His father, a carpenter at Granite City Steel Co., said the attending doctor told the family yesterday that skin grafts on his son's face probably will be started in three or four weeks.

Mr. Mundy and his wife have been at the hospital almost constantly since the accident. "He can see out of his right eye. I showed him my watch and he could tell the time, and the swelling is beginning to go down on his left eye. The doctor tells us his eyes are good," the father said yesterday.

To Thank Rescuers

He had just arisen from his first nap since the accident, and said he plans to go as soon as he can to visit Norman Fenton, 40, of 2416 Grand avenue, also a carpenter, an employee at Central Steel Industries, who jumped out of his car in the 2200 block of Grand avenue to aid 15-year-old Bob Brammell in smothering the flames on the upper half of

Thomas's body.

Fenton, who was first identified as "Dave," was passing by on his way home from work, when he saw the Brammell boy trying to put out the flames with "some sort of sheet."

The Brammell boy said he had found the "rag" on the ground when he jumped off his

Madison School Budget Up \$166,678

Total of \$2,055,769
Shows Monthly Salary
Offer Range—\$33-77

The Madison board of education Thursday night adopted a tentative budget totaling \$2,055,769, an increase of \$166,678, for the 1968-69 school year beginning July 1.

New tax levies were estimated at \$769,265, up \$38,796, with the estimated rate at \$2.485 per 100 assessed valuation, 11 or 12 cents higher.

The budget includes an increase of \$17,500 for salaries for 113 teachers, from \$205,000 to \$222,500, and provides for an increase of six teachers in the system.

A proposed salary schedule lists pay hikes ranging from more than \$33 per month for first year teachers with a bachelor's degree to more than \$77 per month for bachelor degree teachers with 13 years of service.

A previous offer by the board of education in contract negotiations with the Madison board of education ranged from \$31 to \$55 per month before negotiations were stalemated and suspended in June.

Proposed Pay Schedule

On the 13-year schedule, the proposed salaries range from \$29 to \$108 per month for teachers with bachelor's degree, \$787 to \$1133 per month for teachers with master's degrees, and \$800 to \$1167 per month for teachers with master's degrees plus 30 graduate semester hours.

The proposed budget will be on display in the board of education office until 7:30 p.m. July 22, when a public hearing will be held, followed by final adoption.

Fire Destroys Home of Family Away on Visit

Fire of undetermined origin burned down the six-room frame home of the Vernon Gott family, 2138 Alton avenue, Cloverleaf Addition, early Saturday morning and badly damaged the next door home of Princess Thompson, 2132 Alton avenue.

The total loss to the Gott home is estimated at over \$14,000 while there was about \$4000 damage to the Thompson home. Madison police received the alarm at 3:24 a.m. and called upon Venice volunteers for help.

Venice fireman John "Red" Wise, 41, of 1228 Oriole street, suffered leg burns as he was fighting the fire from between the houses. He was given emergency treatment at St. Elizabeth Hospital.

Firemen were at the scene about 5:45 a.m. Saturday. The Gott home was completely destroyed along with a garage, and damage was extensive to

Army Depot Safe Looted; 3 Robbed By Armed Bandits

A safe in the Granite City Army Depot cafeteria was broken open and looted of around \$500, three persons were the victims of armed robbers, and an armed robbery attempt was foiled when the victim struggled with two bandits, according to a series of crime reports to Quad-City authorities during the weekend.

The office of Major Stephen Taylor, provost marshal at the Army Depot, was investigating today the looting of the cafeteria safe from which Army officials said "more than \$300" was taken.

An IPC crew and the fire department were called to the scene of the accident. The car was a total loss.

Wiley was a native and lifelong resident of Granite City. He was a student at Prather Junior High School and was a sophomore at Granite City high school this fall.

Wiley was survived by his mother, Mrs. Helen Wiley of Granite City; five sisters, Mrs. Robert (Helen) Dunham, Mrs. (Diana) Knight, Miss Janice Ann Wiley and Miss Kathleen Wiley, all of Granite City, and Miss Ivy Wiley of St. Louis, and a brother, Andrew Wiley of Granite City.

An obituary notice appears elsewhere in this issue.

Auto Hits Pole

Charles F. Weymouth, 40, of 3057 Buxton avenue, was injured when his auto struck a utility pole on Madison avenue near Nantow road at 4:30 a.m. today. He said he fell asleep at the wheel.

Weymouth was admitted to St. Elizabeth Hospital where x-rays were taken of the skull. He had pains and slight abrasions to the right elbow and contusions to the forehead.

Girl, 6, Hit by Car

Little Lisa Foley, 6, suffered bruises to her left thigh about 9 p.m. Friday when she ran into the street at Sixth and Broadway avenues, Venice, and was knocked down by a westbound auto driven by Raymond Warren, 26, of 2231 Alexander street.

The girl, a first grader, daughter of Mr. and Mrs. Richard Foley, 467 Lincoln avenue, jumped up and ran home, the motorist told police. She was taken by her parents to St. Elizabeth Hospital for x-rays and treatment.

Boy Backs Into Car

A boy who was walking backwards ran into the side of an auto on the parking lot at Nantow Village shopping center Friday afternoon and was taken to St. Elizabeth Hospital for treatment of abrasions to his left foot and leg.

The boy is Michael Goodrich, 11, son of Mr. and Mrs. John Goodrich of No. 5 Frontenac. Police said the driver of the car was Mrs. Norma Lesko of 152 Central avenue.

Man Passenger Hurt

A 15-year-old boy, William Johnson, 1608 Kirkpatrick Homes, who was riding on the handlebars of a bicycle was injured Saturday evening when the bike swerved in the path of an auto in the 1600 block of Ridgeway avenue at Kirkpatrick Homes. He was taken to St. Elizabeth Hospital for emergency treatment.

Police said the Johnson boy was a passenger on a bike ridden by Ricky Hotz, also of Kirkpatrick Homes. The auto

Local Leaders Like Idea for Major Airport in Area

Quad-City governmental and business leaders displayed enthusiastic support to submission of a bill last week in the Illinois legislature which would authorize the Illinois Department of Aeronautics to operate a major airport in the Illinois area of the bi-state metropolitan region.

If passed, the legislative measure would appropriate up to \$100,000 for engineering and feasibility studies for airport development. The bill specifies location of the airport in either Madison, St. Clair or Monroe county.

Favorable reaction to establishment of a major air terminal in this region was general. Most officials contacted for comments noted the boost in business it would afford to the Quad-Cities and the entire area.

A majority of the officials reached specifically cited as a choice location the former Lakeside Airport property along Highway 111, near Horseshoe Lake, noting its proximity to two interstate highways—270 and 70-55—providing easy accessibility to downtown St. Louis, East St. Louis and St. Charles county—via I-70.

The Lakeside Airport property, presently owned by William Nichols, operator of Nichols Net & Twine Co., on South Bend road, covers about 150 acres. However, adjoining it are more than 2700 acres of flat farmland with few residences or terrain obstacles.

State authorities notified the Madison county board of supervisors last week that it intends to approve an application for operation of the old Lakeside facility as a commercial airport.

"Boost for Community"

Granite City Mayor Donald Partney stated: "The idea of a major airport being located in the Illinois section of the

metropolitan region is very good. I'd like to see such an air terminal located near Granite City—far enough away that the noise and rumbling would not disturb our residents.

"Somewhere east of Highway 111 and south of Ponton Beach village, I think would be a good, practical area. From that locale, passengers and others using the facility would only be a few moments by car from downtown St. Louis.

"Establishment of a major airport in the general vicinity certainly would help the community, and I am for anything which promotes and helps this city. It would draw people to our area and we'd welcome the additional business and visitors who, we hope, would come to our town and spend a little

Workman Killed When Pinned Under Sand Bin

A workman for the American Colloid Co., 1601 Walnut street, was killed Thursday afternoon when crushed beneath a large steel bin that holds industrial sand.

Pronounced dead upon arrival at St. Elizabeth Hospital was Russell S. Keen, 56, of Brentwood, Mo., whose chest was crushed. Coroner Leonard Davis said Keen's body was found by other workers when they searched for him after he failed to show up at a trailer during the lunch break.

"We haven't been able to find out what he was doing under the bin," Davis said, "since there was no work order for any jobs there. Also it hasn't been determined what caused the heavy bin to slip. Other workmen out, but no one saw him or was able to lift it to pull him under it."

"The space is small beneath the bin and the ground, and there's barely enough room for a man to crawl under there. Davis said an investigation will be continued.

The new firm, located at the south end of Walnut street on grounds leased from American Steel Foundries, supplies foundry sand and mold materials to local industries.

Keen is survived by his wife, Clara; his parents, Mr. and Mrs. Sherid Keen, and three brothers, George, James and Edward Keen. Services were held this afternoon at St. Joachim's Church, Old Mines, Mo., with interment taking place at St. Joachim's Cemetery.

Bridge Budget At Venice Revised To Aid Bond Fund

A second amendment for operation of the city-owned McKinley bridge was approved by the Venice city council Friday night to assure sufficient funds for principal and interest payments due on bridge "A" bonds Sept. 1.

The action deleted \$31,700 in appropriated items from the bridge budget for August and September, allowing application of monies in this amount to the bond payment fund.

Taken out of the budget were items of \$850 each for August and September for the painting reserve fund, \$10,000 from the insurance fund budget of September, and \$10,000 budgeted for payment of Missouri taxes from each of August and September.

Mayor John E. Lee pointed out that there is no threat of defaulting on bridge "A" bonds because of a \$780,000 reserve set aside for "A" bond purposes, but that every effort is made to avoid dipping into this reserve.

Must Be Replaced
He said the \$10,000 removed from the insurance budget and the \$1700 taken from the painting reserve budget will have to be replaced in the next fiscal year beginning Oct. 1.

However, he told council members, the bridge administration is expecting a \$20,000 tax reduction next December as the result of a cut in bridge assessments made by the Missouri tax officials earlier this year. Therefore the reduction in the tax budget for the remaining two months of this fiscal year may not have to be adjusted.

The council Friday night also authorized fire department officials and City Engineer Jack Tolmer to proceed with remodeling of the front of the fire station at city hall so that it will accommodate the new fire truck, expected to be delivered in about two weeks.

Major Donald Austin Receives Honors

Major Donald J. Austin, grandson of Mrs. Sarah Barnes of Arkansas and a nephew of Mrs. Edward (Tippy) Grisham, 1640 Clark avenue, has been named as one of the "Outstanding Young Men of America" and his name will appear in the 1968 edition of "Outstanding Young Men of America."

The selection is based on outstanding ability, accomplishments and service to the community, country and profession.

Austin, an aviation staff officer, presently at Fort Wolters, Tex., is the son of Mr. and Mrs. Pelham Austin, Peach Orchard, Ark. He is a graduate of Delaplaine high school and Arkansas State University, Jonesboro.

Major Austin has been in service for 13 years. He and his wife Mona and three children live in Mineral Wells, Tex. During the summers, while he was in college, Major Austin made his home with his aunt, Mrs. Grisham, working in the local plants to assist in financial aid to further his education.

Dismiss Battery Charge

Charges of battery filed a month ago against Arthur Heatherly, 24 of 2147 Woodlawn avenue, were dismissed in the court of Magistrate Hiscott when the complainant in the case failed to appear. The charges were filed following a fight at the Sherboast tavern in Venice. Heatherly said he was not involved in the fight and the complainant, a woman who was struck on the head, mistakenly identified him as one of her assailants.

License Revocation And 2 Suspensions

A driver's license revocations, two suspensions and the issuance of two probationary permits were actions carried out Friday in Springfield involving Quad-Cityans.

The office of Secretary of State Paul Powell revoked the license of John H. Huniak, 923 Washington avenue, Madison, for reason of driving while intoxicated.

The license of Richard C. Long, 1415 Seventh street, Madison, was suspended for reason of three violations; and Billy D. Morris, 3700 Pontoon road, had his suspension re-entered for driving while his license was suspended or revoked.

Probationary permits were issued to Lynn E. Collins, 2821 Saratoga avenue, and Barry E. Ebling, Rural Route One.

Hit-Run Accident

A parked car owned by Wendell Wilson, 101 Lee Wright Homes, Venice, was damaged in the right front at 10:45 p.m. Thursday when it was struck in a parking lot at Market and State streets. Driver of the other car fled the scene, according to a report to Madison police.

State Clean Air Board To Meet on Thursday

The Illinois Air Pollution Control Board will report on the progress of emission abatement systems for Fox Brothers Co. plant at Madison during a meeting set for 9 a.m. Thursday in the Illinois Commerce Commission building at Chicago. A hearing for the local firm still is pending.

Inhalator Call

Granite City firemen responded with an inhalator when Mrs. Irma Dix, 173 Big Four place had difficulty in breathing while at Clites Interiors store, 27th street and Madison avenue, at 4:50 p.m. Thursday. She was taken by ambulance to St. Elizabeth Hospital for treatment.

Fireworks Complaint

Granite City police received a complaint that fireworks were being shot off in the 2600 block of Delmar avenue about 3:20 p.m. Friday. No one was located.

the Thompson home and to a tool shed.

The Gott family was away at the time of the blaze, visiting Mr. Gott's mother, Mrs. Mamie Gott, on a farm near Salem, Mo., where they have a house trailer. The family lost all of its clothing, furnishings and possessions, except what they had taken to Salem for the visit.

Mr. Gott, a switchman for Terminal Railroad Association, was off work Thursday and Friday, and he and his family left Thursday for Salem. They returned about 11:30 a.m. Saturday to find their home destroyed. Gott said he had a homeowners insurance policy.

"We built the home ourselves and lived in the basement until about three years ago. We've lost everything, and I don't know if I'll rebuild or not. We do have the house trailer," he told the Press-Record.

Gott and his wife, Peggy, have five children, all living at home, including an 18-month-old daughter, Raven. The others are Allen, 17, Sherry, 16, Rocky, 14, and Lennie, 11.

At the present time they are staying with relatives and friends in the neighborhood.

Firecracker Complaint

Boys tied Saturday afternoon before police arrived in the 2200 block of Lee avenue where there was a complaint that firecrackers were being set off.

Associates, Friends Honor Rep. Harris, Long Career

State Representative Lloyd "Curly" Harris of Granite City, who is retiring this year from a 32-year career in the Illinois State Legislature, was guest of honor Saturday morning at a testimonial breakfast at which more than 200 political, civic and business leaders paid him tribute for his long record of public service.

In a two-hour program in the main dining room of the Rose Bowl restaurant, state, district and area political associates reviewed Rep. Harris' career in the General Assembly and attributed to him responsibility for many major area developments—among them establishment of the Tri-City Regional Port Authority and growth of the Southern Illinois University-Southwestern campus from a social arts college of 500 students to its present status.

Secretary of State Paul Powell was principal speaker and commended Rep. Harris for his loyalty "to the people and to the party" which he said he experienced so many times in his association with the legislator in the General Assembly.

Powell said Harris "has always been the type of person who feels that no man has the right to do as he pleases except when he pleases to do right."

To Move Forward

"It has always been enjoyable and informative to me as minority leader and Speaker of the House to discuss legislation with Curly," Powell added, "because he was sincere and always knew what he was talking about. . . it was his desire to move forward in the interest of our state and never to go backward."

The speaker referred to the guest of honor as a man who "believes that time used for making excuses should be applied to making success, and his success was made easier with the help of his many friends, such as you here today."

Powell commented that the efforts of Rep. Harris, more

Tribute was paid the state representative by a long list of speakers, all of whom spoke only briefly, primarily of their experiences and associations with the legislator over his long public career.

Honor Legislator

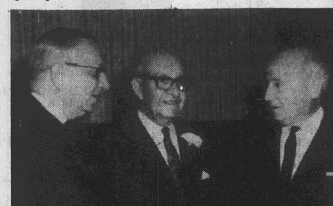

Among these was Cong. Melvin Price (D-East St. Louis) who referred to Harris as a "great legislator." Others who spoke briefly were State Sen. Paul Simon of Troy, who also served as master of ceremonies; William Warfield, chairman of the Granite City Democratic Central Committee, and State Rep. Leland J. Kennedy of Alton, an associate of Harris in the General Assembly since 1947.

Harris responded only briefly, with the remark, "If I am as great as all of you say I am, I guess I'd better get back in the running."

A committee of the Democratic organization presented Harris with a plaque and a color television, while the women's Democratic organization presented the legislator's wife, Mrs. Anna Mae Harris, with a gift.

Firecracker Complaint

Boys tied Saturday afternoon before police arrived in the 2200 block of Lee avenue where there was a complaint that firecrackers were being set off.

SECRETARY OF STATE Paul Powell, left, is greeted by State Rep. Lloyd "Curly" Harris, center, and Cong. Melvin Price, at a testimonial breakfast Saturday in Harris' honor. The Illinois legislator is retiring this year to end a 32-year career in the General Assembly.

Attempt to Oust Blumenstock as Teacher Charged

Oel Blumenstock, president of the Madison board of education, charged that the Madison Federation of Teachers and the Tri-City Central Trades Council were attempting to have him fired from a position as a welding teacher in the adult education program at Granite City high school. He made the statement during a meeting of the Madison board Thursday night.

He threatened to sue both groups. Blumenstock regularly is employed at the Mill-Mor Manufacturing Co. in Venice, which operates a non-union shop, though he is a member in good standing with St. Louis Machinist Lodge 41.

Bernard Long, president of the MFT, denied any knowledge of any attempt.

Edwin Reiske, president of the trades council, said the matter was discussed at a meeting of the council Wednesday night, as Milmer is on its "do not patronize" list, but he said it was dropped when it was learned that Blumenstock was a dues-paying union member in good standing.

Blumenstock also holds an honorary withdrawal card from the Teamsters and Chauffeurs union. Reiske added that the Machinists currently are attempting to organize the Mill-mor shop.

The school board and the teachers local have been in a stalemate over a new contract since negotiations were suspended last month.

Bernard Long, president of the teachers local, said that neither Blumenstock nor any individual was discussed at any union meeting.

"We are not out to get anybody," he said. "We never met directly with Central Trades."

The teachers are represented on the trades council by two delegates and two alternate delegates.

Reiske confirmed that the teachers union was not involved in the matter.

Miss Diane Hamilos is Bride Of Michael J. Semanisin

Miss Diane Lynn Hamilos and Michael Joseph Semanisin were married Saturday morning at St. Cecilia Roman Catholic Church in Glen Carbon.

The bride, Miss Diane Hamilos, is a daughter of Thomas M. Young of Lake Zurich, Ill., and a granddaughter of the late Mr. and Mrs. Ferd Pieper sr., of this city. Mr. Markovich's parents are Mr. and Mrs. Frank G. Markovich, 1633 Third Street, Madison.

The bride, who resides at 612 Garfield avenue, Edwardsville, is a daughter of Thomas M. Young of Lake Zurich, Ill., and a granddaughter of the late Mr. and Mrs. Ferd Pieper sr., of this city. Mr. Markovich's parents are Mr. and Mrs. Frank G. Markovich, 1633 Third Street, Madison.

Arrangements of white summer flowers adorned the altar and the bride's aunt, Mrs. Ann Pieper, was soloist. She was accompanied at the organ by Mrs. Francis Judd. Nick and Steve Markovich, twin brothers of the bridegroom, served the Nuptial Mass.

Mr. Young gave his daughter in marriage. Her gown of lace over satin and tulle was fastened with a sash and neckline of tulle was attached to a forward tier crown of sequins and pearls and the bride held an off-side cascade of gardenias, stephanotis and camellia foliage.

Her attendants were three cousins, Miss Carol Ann Pieper, maid of honor, and Misses Katie Crawshaw and Judy Pieper, bridesmaids. They wore identical gowns of imported apricot chiffon over lining of the same shade corded with blue bands of matching satin. They sat in buttoned closed the fronts of the bodices which had short sleeves. Narrow satin panels formed Watteau trains secured at the high necks with satin bows. Headpieces were apricot bows holding in place tiered bouffant veils. Their flowers were apricot gladioli and camellia foliage.

The bridegroom's father served as best man by proxy for his son, Karl Markovich who is on duty in Vietnam with the U. S. Navy, and groomsmen were Thomas M. Willis, the bride's brother, and Gas Economy, a cousin of the groom. John Chrusciel was usher.

MRS. MICHAEL J. SEMANISIN, the former Diane Lynn Hamilos, a daughter of Mr. and Mrs. Nick Hamilos of Route Four, Edwardsville, who was married at St. Cecilia's Catholic Church in Glen Carbon.

For her daughter's wedding Mrs. Hamilos wore a beige lace jacket dress with the new ruffled neckline. Her accessories were mint green. The bridegroom's mother chose a three-piece light blue lace suit and white accessories. Both had white carnation corsages.

The wedding reception was given by the bride's parents at the new Moose Lodge in Edwardsville. On Friday evening the bridegroom's parents gave the rehearsal dinner in Highland.

The newlyweds will make their home in the Bori Apartments in Maryville.

Museum Friends Study Homes

Mrs. Francis O. Burk, of Edwardsville discussed the architecture of old American homes at the summer meeting of the Friends of the Madison County Historical Museum Thursday.

The meeting took place at the museum in Edwardsville and the talk was illustrated with slides and pictures taken by the speaker of houses, including exterior and interior of the museum building.

During the business session which preceded the talk it was decided that the restoration of reference books in need of repair would be a project of the group.

An exhibition of old needlework will be held in the fall under the direction of Mrs. Udel Bischoff of Granite City.

AAUW Plans Seasons Programs

The American Association of University Women, Granite City Branch, announced this week the theme for its new season will be "Experiencing the Gap."

Miss Marguerite Barker, president, said programs planned for the monthly meetings will include a panel discussion Sept. 22 on community problems during the business meeting, a tea for new members and a vacation auction. The meeting is to be held in the home of Mrs. Hugh Foster in Edwardsville.

A dinner and workshop at SIU-SW campus is planned for October with a rummage sale to be held Oct. 12. There will be no meeting in November.

Activities will be resumed in December with a dinner at the Granite City Army Depot on Dec. 12 and a home tour is planned as a club project for Dec. 14, which will be open to the public. Proceeds will be used for a party for needy children.

A business meeting will be conducted on the second Thursday in January. The February meeting will be at the conclusion of a progressive dinner.

Election of officers will be held at a dinner during the March meeting, and in April the annual scholarship tea is planned.

In May the installation of officers will be held at a dinner party.

Classical Program for Closing 'Music Under the Stars'

A number of outstanding artists will be appearing on the final concert of the summer program of "Music Under the Stars" which will be held Thursday at the rink-pavilion in Wilson Park under the direction of Warren Simpkins.

Those participating in the all classical program will include Laura Dunes, a coloratura; Robert H. Dunes, her husband and accompanist; Miss Young Bang Cho, an accomplished piano student; Raymond Voorhees, baritone, and his wife, Shirley Voorhees, a soprano; Alan Rosenkoetter, classical guitarist, from St. Louis; Miss Janet Young, a talented pianist, who will play for the Voorhees.

Laura Dunes, the former Helen Roseman, was graduated from the local high school in 1954. She attended Northwestern University, for two years participating in choir, madrigal groups and opera workshops.

In 1959, she was graduated from Trinity University in San Antonio, Tex., with a Bachelor of Music Degree. Since that time, she has worked in radio and television, as a church soloist and a teacher of music in the Northeast School District in San Antonio. In September, she will be the vocal teacher of the new Paul Grigby junior high school.

Robert H. Dunes, her husband, and accompanist, is from Red Bank, N. J. He received his Bachelor of Music degrees from Oberlin Conservatory and

his Master's from Yale. Since 1961 he has been Organist-Chairmaster of First Presbyterian Church, San Antonio, Tex.

Raymond and Shirley Voorhees are both senior music students at SIU-SW campus and have studied with Oren Brown of St. Louis, vocal coach and are presently studying with Dr. Dale Moore at the University.

Voorhees was graduated from the local high school and formerly studied under Dr. Leslie

Bridenthal, a former teacher at SIU-SW. He has performed frequently in the local area and has done several shows with

the Mississippi Valley Opera Company.

Mrs. Voorhees was graduated from Alton high school and at one time studies with Marian Whitehead at SIU-SW. She also has appeared locally at several functions.

Miss Janet Young, "Music Under the Stars" piano accompanist, will play for the Voorhees, who will do several selections, (solos and duets) from opera and contemporary works. A special guest for the evening will be Alan Rosenkoetter who was born in St. Louis and began his musical training after graduating from high school. He attended Washington Uni-

versity for one semester and then traveled to Europe in search of outstanding guitar teachers for classical arrangements.

Living in Paris he studied at the Schola Cantorum for two years in a course directed by the late Ida Presti and by Alexandre Lagoya.

Since his return to this country he has studied with Oscar Ghiglia, Italian protégé of Andres Segovia. He has devoted most of his time to his students at Washington University, performing a one ensemble music with other musicians at the University and practicing to enlarge his solo repertoire.

Lots of Action in Games Of Park Slow Pitch Loop

In games played in the Class A slow pitch softball league Thursday evening at Worthen Park, Clark Vikings tramped Falstaff 15-5; Community Heights Reds won over Sammys' Tavern 10-3; Mexican Honorary Commission defeated Tony and Jose 23-3 and Pollah Ball beat Granite City Steel Credit Union 9-5.

The evening started off with a first pitch homerun by Gary Whitehead for the Vikings. He also added three singles. Others getting three hits were Ron Fisher for the Vikings and Ken Woodard for Falstaff.

The Vikings made but one error while pounding out 10 hits for winning pitcher Ken Fowl-

er. Harry Evans was backed by 12 hits but his teammates made six errors.

Sammys and Community each had one error for Jerry Padgett took credit for the victory and Joe Hauptman was given the loss.

Community pounded out 16 hits including two singles and two doubles by Rich Utley and two doubles by Jim Hankins.

Jim Chomko homered for Sammys and Hauptman had a double and triple.

Mexican Club blasted 29 hits off losing pitcher Bill Morris while their own hurler, Jim Goodrich, pitched a five-hitter. Each team made one error.

The Mexican Honorary team scored every inning and left nine men stranded on base. Don Goldsmith homered and hit two triples; Jose Ybarra hit two singles, two doubles and a triple; Ron Kipp hit two doubles and a triple and Tony Root hit three singles and a double.

In the final game of the evening, Credit Union was stopped on a five-hitter pitched by Stan Serwatka. Bob Patrick was the loser and was relieved by Ken Gortine.

The winners pounded out 16 hits and made one error while the losers committed three fielding mistakes.

Jim Reiter homered and Ralph Sackett had three hits for the victors.

Methodists, Baptists Win in Blue Division

Free Methodist defeated First Church of God 13-5 and Emmanuel Baptist tripped First Assembly of God 7-4 in the Blue Division of the Church slow pitch softball league Friday evening at Wilson Park.

Methodist put together six-run frames in the second and fourth innings and had a 17-hit barrage, led by Dennis Penton with two singles and a triple and Stan Keith with two doubles. Danny Mount homered in the fourth.

Randy Jackson homered and singled and Al Graham tripled and singled to lead the First Church of God eight hit attack. Norm Penton was the winning pitcher and Ed Stone took the loss.

Baptist tied its game with three runs on three hits in the first inning and collected two insurance runs in the seventh. Randy Shilt led a 12-hit effort with two safeties.

First Assembly rallied with a pair of markers in the fourth and single tallies in the fifth and sixth innings. Getting half of eight hits were Mike Voorhees with two doubles and Jimmy Stark with a double and single. Mike Harper and Mike Boyer hurried for the winners and Steve Stamp was on the mound for Assembly.

Special Deer Hunts Scheduled by State

Applications for a special deer hunt will be included with all bow hunting permits being issued by the Deer Permit Office, the Illinois Department of Conservation announced today. Two hunts have been scheduled for the Gardner Division, Mark Twain National Wildlife Refuge near Quincy. Dates of the seasons are Oct. 12 to 15, inclusive, and Oct. 19 to 22, inclusive. A total of 800 permits will be issued for each hunt.

Applications must be filled out according to instructions. They must be mailed to the Gardner Division, Mark Twain National Wildlife Refuge, Box 225, Quincy, Ill. They should not be sent to the Illinois Department of Conservation, Sept. 15 is the deadline for the applications and any received after that will not be processed. Hunters will be chosen by a drawing.

The Gardner Division consists of several islands in the Mississippi River and access to them is by boat. Hunters must arrange for their own transportation to the islands because it will not be furnished by the Department of Conservation or the Bureau of Sport Fisheries and Wildlife. Last year 1000 permits were issued for a special deer hunt and 154 deer were killed.

GC Youngsters Take 4 Events, Go to Finals

Three individual winners and a relay team advanced to the state finals of the Illinois Jaycees Junior Sports Jamboree at a sectional meet in Alton Saturday.

The finals will be held Aug. 22, 23 and 24 at Sterling Rock Falls, Ill.

Taking firsts at Alton were Jerry Sedabres in the long jump, Rusty Mefford in the 75-yard run, Kirk Champion in the baseball throw with a distance of 200 feet, 10 inches, and the 440-yard relay team of Mike Martinez, John Fulcher, Rusty Mefford and Dale Williams.

Sedabres also placed second in the 50-yard run.

Others placing second were Frank Hamilton in the 880-yard run, Anna Schilling in the 50-yard run, John Lignoul in the high jump, Ken Yardley in the 100-yard run and Jim Childers in the 220-yard run.

Finishing third were Dale Williams in the 50-yard run, Jeff Metzler in the 50-yard run, the 220-yard relay team of Patsy Mayfield, Jayne Harding, Cindy Childers and Ramona Clark, and the 440-yard relay team of Vicki Mifflin, Lois Moore, Elizabeth Shields and Loraine Moore.

Placing fourth were Patsy Mayfield in the 50-yard run, John Lignoul in the 75-yard run, Brad Hites in the baseball throw and Jennifer Lignoul in the high jump. Finishing sixth were Susan Cavins in the long jump and Jennifer Lignoul in the 100-yard run.

About 35 local youngsters of 10 to 15 years old competed. John M. Robertson is chairman of the event for the local Jaycees.

Collinsville Wins Pennant; Mercer Still in Contention

The Granite City Southwest-ern Illinois Inter-City League baseball teams split decisions Sunday as Granite City Steel Credit Union lost a home game to Collinsville's Mother Motors 13-1 and Mercer beat Maryville on the losers' diamond 3-0 as pitchers Maurice Sanderson and Jim Rains combined to hurl a three-hitter.

By winning, Collinsville won its fourth division championship in the last five years. It is 11-2 and East St. Louis is 6-7 in the Red Division.

The win for Mercer kept the local club in contention for first place, bringing its present record to 7-4. Pocahtonas is leading the Blue Division with an 8-4 record after edging Troy 4-3 Sunday.

In the remaining game, it was East St. Louis blanking East Alton 2-0, dropping the latter team to third place, a half-game behind Mercer.

Harris, Logan Star
Credit Union scored its only run in the first inning on a base hit by Harry Padgett. Leading a triple by Pat Harris. Leading 4-1, the visitors broke it open

with six eighth-inning runs and added three in the ninth. Harris had two of his team's four hits, valve homered and garnered three of the winners 13 hits.

Mercer scored twice in the third inning as Charles Johnson singled home Dave Sparks and Rich Logan, who had reached base on errors.

Logan singled home the final run in the sixth, driving in Larry Corey, who had walked and advanced to second on an error.

With Harris, the best inter-city hitter with a .470 average going to the pitching mound, Credit Union defeated Ferguson, Mo., 8-3 in an exhibition game that followed the regular game yesterday at Wilson Park.

Combine for Six-Hitter
Harris struck out six, walked one and gave up three hits and two runs in four innings. Doug Winfield entered in the fifth inning as the winning pitcher, fanning two, walking three and issuing three hits and a run.

Jim Rains, Nick Ryan and Orville Taylor, with three walks and a hit batsman, pro-

duced four. Credit Union runs in the third inning.

In the sixth, Lengel walked, Ryan and Taylor collected hits, three were two walks and Ron Laws contributed a two-run single to fashion another four-run inning.

Taylor totaled three hits and Laws had two hits and three runs-batted-in.

Graceland, Nameoki Bethel Take Church Red Loop Contests

Graceland hammered Central Christian 19-3, Bethel Evangelical edged Niedringhaus Methodist 7-6 and Nameoki Methodist tramped West 2nd Street 7-5 in the Red Division of the Church slow-pitch softball league Friday evening at Worthen Park.

Totalling 29 hits, Graceland scored in all but the fourth inning and took command in the first with six runs on eight hits. Ken Perkins and Roger Reimeyer homered for the winners. Chuck Feltmeyer collected three hits, including a triple.

Central Christian came up with nine asstetles, including two home runs by Mike Leeper. Leeper was the winning hurler and Oscar Ash took the loss.

Bethel scored a run in the seventh to break a 6-6 tie but was outthru 10 to 13 by Niedringhaus. Jim Cox led the winners with three hits, matched by Bill Lancaster of Niedringhaus. Cox was the winning hurler and Gene Briggs the loser.

Nameoki Methodist collected 14 hits and took charge with Brad Walski, 17, won the 17 and under contest for the best game. His replica was a scale model of the "Saturn 11." His prize was a "Mars Snooper" model.

Pulaski also won the parachute duration flight with a time of 38 seconds. In the B engine event, Sharon Cruschel took first with a time of 1:55.

In the popular drag racing event, it was Billy Cruschel placing first in the A engine classification and Joe Berkbigler winning the B classification event.

John Headrick, a teacher at Prather junior high school, and Richard Loyet were sponsors.

Vikings Unbeaten in State Softball Meet

Granite City has four teams "alive" in the 1968 state slow pitch softball tournament at Caseyville, but only one remains in the winners' brackets after games played this week-end.

The Clark Vikings beat Packett Dairy of East St. Louis 14-7 13 Saturday afternoon in their first game, beat O'Fallon 12-5 Sunday afternoon and won over C&S 12-7 Friday and Caseyville No. One 7-4 Sunday but then lost to Collinsville 8-6 Sunday evening.

Sammy's Tavern beat Decatur 8-1 Friday but lost to O'Neill of Caseyville 6-3 on Sunday.

Granite City Steel Credit Union, which won the Granite City regional, lost its initial game to O'Fallon Bowl 6-5 Friday.

Credit Union will play at 7 p.m. today against Packett Dairy of East St. Louis in the losers' bracket. It has not been decided when the other local teams will play.

The tournament is scheduled to end Sunday, the champion being the last team to stave off a second defeat.

Three Madison Youths Enlist in Air Force

Three Madison boys, James Nappier, Darrell Mayo and Thomas Foote left the past week for basic training at Lackland Air Force Base. All are 1968 graduates of the Madison high school and enlisted last April under the "buddy" plan. They will take six weeks basic training together before going on to their separate fields.

Their parents are Mr. and Mrs. David E. Nappier, 2000 Sken street; Mr. and Mrs. Thomas Mayo, 1682 Third street; and Mr. and Mrs. Gene Cooper, 1679 Third street.

Classes Keep Police Depts. Up to Date on Law Changes

To familiarize law enforcement officers with recent U. S. Supreme Court decisions and new or revised state legislation relating to enforcement and regulatory procedures, the Madison county state's attorney's office is conducting a series of courses for local police departments. Madison County State's Atty. Leon Scroggins reported Thursday.

Speaking at the Granite City Optimists' weekly luncheon meeting in the YMCA, Scroggins said his office staff is "working hard" assisting local law enforcement agencies' personnel to fully understand the new rulings.

He said members of the county sheriff's office also are participating in the training schools and noted that most local police departments now have knowledgeable personnel on their staffs, who are well acquainted with the rulings. Commenting on the new Illinois Firearm Owners Identifi-

cation law, the Madison county state's attorney reported that nearly a half million applicants had requested registration certificates from state authorities.

3000 Ineligible
"Shortly after registration began, a preliminary check of 37,000 applications revealed 3000 applicants were ineligible to receive certificates of registration. The majority of those deemed unacceptable had been previously convicted of a felony," Scroggins said. Noting the application form plainly states that persons having been convicted of a felony were ineligible for certificates, he was unable to explain why known criminals would try to register.

The attorney pointed out that other persons seeking certificates are being rejected under the provision of having been confined in a mental institution within the past five years.

Scroggins commented that local police departments can greatly benefit from the advice

and cooperation of an interest citizens' police committee. He said such a group can assist the law enforcement officials in obtaining special federal grants to organize and staff training centers where up-to-date information can be relayed to officers, along with instruction in related subjects.

Disorganized Crime
The official noting an absence of organized crime in Madison county, but added that disorganized crime is rapidly increasing. He commented that the number of offenses committed by juveniles is rising and said that today's juvenile delinquents "have a frightening disrespect of the law, which will become more serious as they grow older."

He said that enforcement agencies have improved methods of compiling statistics, however, and many acts of juvenile vandalism were considered "youthful high spirits" in past years. Scroggins, a Granite

money. A large air terminal could be a tremendous boost for the community and entire region."

"We're in Good Position"

John Bloodworth, president of Associated Retailers & Civic Association of the Tri-Cities, remarked: "Such a major airport facility, as proposed, would be great for this area, if we can get it. We are certainly sitting in a good position here with our Quad-City area with our industries, new university and an excellent new interstate highway system."

"The perfect location for a major airport is somewhere east of Granite City, between Granite City and the bluffs, either north or south of Interstate 270, where there is plenty of land available. Of course, probably the most favorable site would be the old airport on Highway 111 (Lakeside). There is plenty of acreage in that area, also north of I-270, to develop such a facility."

Time to Act is Now!

Venice Mayor John E. Lee commented: "I am in full accord with the proposal for a major airport in this section of the metropolitan area. An ideal location would be the site of the old Lakeside Airport on Highway 111."

"Traffic from that point could then go either way, north on 111 to Interstate 270 near Mitchell, or south connecting with I-70. By this route, it should only take about ten minutes into downtown St. Louis."

"I think it is a good idea to get into this airport proposition at this time, in order to acquire sufficient ground to have plenty of room for expansion. Even if the authorities don't plan to land the large jet aircraft... the smaller jet planes take a certain amount of room for take-off and landings. Yes, I fully support the idea."

Venice Vacates Six Streets For Broadway Underpass Job

The Venice city council Friday night cleared away final details necessary to construction of the proposed Broadway underpass with passage of an ordinance vacating a number of city streets in the construction area.

The same ordinance also prohibits the discharge of sanitary sewage or industrial wastes into any part of the city's sewer system which has been designated as a storm sewer, particularly storm sewers that are to be built along relocated Broadway and the underpass.

Mayor John T. Lee and City Atty. Harry Hartman told

council members that copies of the ordinance must be in Springfield by Tuesday to guarantee acceptance of bid offers for building the underpass. Bids are scheduled to be opened in Springfield by State highway department officials Tuesday.

Streets Vacated

Street vacations provided by the ordinance include: Main street from the north corporate limit line of the city south for a distance of about 320 feet to a point lying about 840 feet north of its intersection with the Illinois Terminal Railroad centerline.

Hairston blvd. from a point about 425 feet south of its intersection with Merchant street south for a distance of 210 feet to a point lying 420 feet north of its intersection with Bremen avenue.

Alby street from its intersection with Hairston blvd. west for a distance of 165 feet. Butler street in its entirety from Hairston blvd. westerly to the east line of Jones street. Broadway from its intersection with Main street northeast for a distance of 165 feet to the west right-of-way line of the New York Central railroad. Bremen street from its intersection with Main street to a point on centerline 440 feet southwesterly.

The ordinance provides that the vacation of Broadway and Bremen street shall not be effective until the newly located Broadway is constructed and opened to traffic.

Still another phase of the ordinance prohibits parking at all times on any part of the new street to be built as relocated Broadway.

The bill sets a fine of up to \$50 for violation of the parking and sewage discharge provisions, with each day constituting a separate offense.

GC Jaycees Plan Large Delegation At District Meet

A large delegation of Granite City Jaycees is planning to attend the midsummer Jaycee regional meeting on Saturday, Aug. 3, in the Cahokia village hall, Richard M. Dawdy, GC Jaycees president said today.

The local group will compete for possession of a coveted attendance trophy, presented quarterly to the chapter with the largest number of representatives present, Dawdy explained. He noted that the Granite City club received the large trophy at the last regional meeting in Highland, and returned home from the state convention earlier this year with a state-wide attendance award.

The club official said that Jaycees will register at the Cahokia hall between 3 and 3:30 p.m. on Aug. 3. Dinner will be served at 8:30 p.m. with the regional session and forum.

former Lakeside Airport site on Highway 111 is the only logical location for a good commercial airport on the metropolitan east-side.

"Such a facility would definitely attract new industries and business to the area, as well as new residents. Calculated from that point (Lakeside) to downtown St. Louis, it takes approximately 12 minutes by car via Interstate 70-55 and the Poplar Street Bridge.

"A major airport constructed near the Lakeside site also would be centrally located to serve Southern Illinois University - Southwest campus, which is less than 12 minutes drive away, and only seven minutes from East St. Louis. Logically, any growth in this region must span an area from Collinsville down to the Quad-Cities."

Tourism, Service Trades

Oel Blumenstock, president of the Madison board of education, saw excellent prospects for increases in the economy, especially through new industries which could be developed in the area of the airport, such as tourism, service trades and highway development. "I'm all for it," he said.

Another member of the Madison school board, however, complained that the noise created would be a nuisance.

to be conducted from 7 to 9 p.m., followed with dancing from 9:30 p.m. until 1:30 a.m.

Wives of Jaycee members will be entertained at a "Wig Show" during the meeting period, Dawdy said, adding that Boyd Presley, a local Jaycee officer and national director, will be the presiding official.

New members voted into the local club at the Jaycees' recent executive board meeting, include Stanley Brown, David Moser and Jack Tripp.

Dawdy reported plans are progressing for a "mock election," planned by the group for Saturday, Aug. 31, when local residents will be asked to cast straw votes for the presidential candidates selected by their respective parties.

Voting booths, manned by Jaycees, will be located in various parts of the downtown and suburban shopping areas, under the supervision of Dave Parney, Jaycee project chairman.

Other Jaycee projects announced at the meeting, include a vehicle safety check, slated for Oct. 12 at Nameoki Village parking lot, headed by Bob Bischoff.

Dawdy said the local chapter will continue to assist St. Elizabeth Hospital staff members at monthly immunization clinics, held in the Tri-Cor Medical Building. Fred Haldean will serve as project chairman during 1968-69, the president said, with James Harsh, Bill Hayes and Bill Herbst scheduled to assist at the Aug. 6 clinic.

Eight Teachers Hired by Madison; Only One Vacancy

Eight teachers were hired and the resignation of one teacher was accepted at a meeting of the Madison board of education Thursday night. Employed were:

Miss Luvenia Brown of St. Louis, formerly of Venice, as a physical education teacher at Madison high school. She is an SIU graduate with seven years experience. Miss Glenda R. Duggert of Mt. Carroll, Ill., as a P. E. teacher at MHS. She is a 1968 graduate of Western Illinois University.

Talmadge Fisk Jr. of Madison, as a mathematics teacher at MHS. He is a 1967 SIU graduate. Miss Verilyn J. Ivy of Charleston, Mo., as an English teacher at MHS. She is a 1967 graduate of Southeast Missouri State College.

Miss Gladys O. Riley of East St. Louis, as a fifth grade teacher at Dunbar school. She is a graduate of Jackson State College, Miss. Miss Kathy Synske of Madison, as a junior high school teacher. She is a 1968 graduate of Illinois State University.

Rose Hoskin of Collinsville, as assistant principal at MHS. He holds a master of science degree from SIU and formerly was a counselor at Rock junior high school, East St. Louis. Mrs. Mary Robinson of Cairo, as a first grade teacher at MHS. She is a 1966 graduate of Central (Mo.) State College with two years of experience.

Resignations were accepted from Robert Jenkins, mathematics teacher at MHS, and from Mrs. Phyllis Haynes, a clerical aid at Dunbar.

Ray Dragich, superintendent, said the teaching staff is complete except for a vacancy in the English department.

Dragich also reported that only 12 students out of an MHS enrollment of 750 had dropped out of school last year.

Coal, Fuel Contracts
A coal contract was awarded to the Union Coal & Feed Co. with a low bid of \$13.75 per ton. Tri-City Coal and Feed Co. bid \$14.40.

A fuel oil contract was awarded to Federal Oil Co. with a low bid of 10.4 cents per gallon. Other bids were from Sinclair Oil, 11.85 cents; Apex Oil, 11.85 cents; and Rich Oil, 12.9 cents.

Award of a contract for work at Louis Baer school to comply with the state life safety code was delayed pending determination of arrival of cafeteria equipment. The Lee Wolf Co. bid \$12,338 and Ed. Moore Construction Co. bid \$12,540.

A milk contract was awarded to Aro-Dressed Dairy on a sole bid of 6 1/4 cents for a half pint of white milk, 6 1/2 cents a pint for chocolate milk, 77 cents a gallon for white milk and 82 cents a gallon for chocolate milk.

It was announced that summer school ended last week, that the recreation program will end July 26 and that the head start program will end Aug. 3.

Dragich was authorized to obtain bids to seal blacktop playgrounds at Louis Baer, junior high and other schools where required to prevent deterioration. He estimated the cost at \$7000 to \$8000.

90 Attend Pre-Teen Dance at Kirkpatrick

The Kirkpatrick Homes Pre-Teens held a dance Friday evening in the recreation hall of the project with 90 young people participating.

Music was furnished by The Confederate Stripes and chairmen were Mrs. Bill Adams and Mrs. Howard Evans, co-chairmen, who were assisted by their husbands.

Another dance is planned for Friday from 7-10 o'clock.

Speeding Charge Filed

Marvin Clemens, 320 Weaver street, was issued an arrest ticket Friday night by Venice police on a charge of speeding at Bissell and Klein streets.

SIU-SW to Hold Institute For Mathematics Teachers

An In-Service Institute for Mathematics Teachers will be held at the southwestern campus of Southern Illinois University. Supported by an \$18,530 National Science Foundation grant, the 1968-69 program is designed to enable participants to acquire the mathematical background needed to teach modern secondary school mathematics and to motivate learning in this field.

Selection of participants will be made from those applicants having the following qualifications:

(1) Current professional employment as a teacher of junior or senior school mathematics;

(2) a baccalaureate degree from an accredited college or university;

(3) sufficient mathematical background to benefit from the courses to be taken in the institute;

(4) at least five years remaining to teach before retirement.

Applications should be made as soon as possible for the scholarship offers which will be announced by Sept. 1. Each participant will receive free tuition, book allowance and travel allowance for each round trip to class at Edwardsville.

Both the lower level sequence, "Structure of Mathematics," and the advanced sequence, "Finite Mathematics and Calculus," will meet Tuesday and Thursday evenings at 6:30 from the third week in September, 1968, to the second week of June, 1969.

Topics included in the lower level course are Logic and Sets; The Number System; Mathematics Systems — Groups, Fields; Equations and Inequalities; Functions — Algebraic, Exponential, Logarithmic, and Trigonometric; Analytic Geometry; and Probability and Statistics.

The sequence for advanced students will be organized by quarters—two on "Finite Mathematics" and one on "Fundamental Concepts of Calculus."

Each course scheduled in the proposed institute may be taken for credit or non-credit. The credit may be counted toward a Master of Science in Education degree as part of the requirements for a minor in mathematics.

Lynnan S. Holden of SIU's mathematics faculty will lead the lower course; and Eric Sturley, also a professor of mathematics at the University, will conduct the advanced sequence.

2 Philippine Engineers Training at Local Plant

MID-SUMMER BRIDE. Mrs. Kenneth Earl Hunter, who was married Saturday at Sacred Heart Catholic Church. A daughter of Mr. and Mrs. Theodore H. Sabo, 2654 Adams street, she is the former Linda Marie Sabo.

Hunter and Sabo Nuptials At Sacred Heart Church

Sacred Heart Catholic Church was the scene of the wedding, Saturday afternoon of Linda Marie Sabo, a daughter of Mr. and Mrs. Theodore H. Sabo, 2654 Adams street, and Kenneth Earl Hunter, whose parents are Mr. and Mrs. O. W. Yates, 2445 Jordan avenue.

The double-ring ceremony was performed by the Rev. Joseph A. Enright, and a reception was held afterward at the Travelodge.

Mrs. Margaret Crawshaw, organist, provided a program of wedding music for the two o'clock service. Given in marriage by her father, the bride wore a gown of Chantilly lace with an Empire bodice, a half rounded neckline and elbow, tencap sleeves. The A-shaped skirt had a scalloped flounce at the hemline embellished with iridescent sequins. A Watteau lace train, cathedral length, cascaded from the shoulders with three tiers of matching ruffles at the border.

A waterfall headpiece of lace, matching jewels and seed pearls was attached to a melody length veil of imported French illusion and the bride carried a cascade of white carnations and pink rosebuds combined with lilies of the valley and centered with a corsage of rosebuds.

The honor attendant, Mrs. Larry Blackwell, and Miss Dikne Jurgens, a cousin of the bride, as bridesmaids, were dressed alike in long petal pink

organza gowns with white Venise lace covering the Empire bodices and the cap sleeves. Bows were at the normal waistlines and lace covered the skirts in redingote fashion, lending the effect of a coat dress. Both wore matching pink headpieces and carried cascades of pink rosebuds and lilies of the valley.

Brenda Sue Sabo and Kevin Mark Sabo, cousins of the bride, served as flower girl and ring bearer. The former, attired in a long dress of soft pink organza with a matching pink headpiece, carried a basket of pink rosebuds.

Loren Wilson was best man, and David Busch, Charles Sabo, Marty Arne, Jerry Rock and Dan Isom made up the list of groomsmen and ushers. For her daughter's wedding Mrs. Sabo wore a sheath dress of pink, dacton voile with an overlay of patterned white lace. Her accessories were in a contrasting shade. The bridegroom's mother chose a dress of pale lime green with white accessories. Both had white carnation corsages.

The wedding reception was held at the Travelodge. They will reside in Granite City.

The young people are graduates of Granite City high school, and the bride is the 1967 "Miss Granite City." She is presently employed by the Granite City Trust & Savings Bank. Mr. Hunter, a patternmaker, is employed by an aluminum foundry in St. Charles, Mo.

Miss Carol Ann Bradish And Jerry Kurth are Wed

Miss Carol Ann Bradish, a daughter of Mr. and Mrs. Joe Bradish, former Granite City, is now living on Route Two, Collinsville, and Jerry William Kurth, whose parents are Mr. and Mrs. J. Charles Kurth of Plainfield, Ill., were married Saturday at the Evangelical United Brethren Church in Plainfield.

The ceremony took place at 1:30 p.m. with the Rev. William Bodamer, chaplain at Millikin University, officiating. Miss Eileen Ervin and Gary Coover, the latter a cousin of the bridegroom, were the only attendants. Sam Johnson and Robert Lackels served as ushers.

The former Miss Bradish wore a floor-length gown of white linen with a rounded neckline, short sleeves and daisy trim. Three chains of daisies were sewn from the neckline to the bottom of the dress in front, and a small linen bow in the back had streamers to the top of the hem of the A-line skirt. Her flowers were yellow roses, miniature white carnations and blue bachelor buttons in a round nosegay with yellow ribbon streamers.

Miss Ervin chose a yellow floor-length applique gown with short sleeves and a rounded neckline. It was made on Empire lines with green velvet

ribbon at the bust line. She carried a nosegay of white carnations tinted yellow and white greenery and ribbon streamers.

The wedding reception was held in the church annex directly after the church, and the couple left on a honeymoon trip.

They will return late in August and will make their home in Columbia, Mo., where the bridegroom, a graduate of Millikin University, will complete graduate study in English education at Missouri U. The bride, also a Millikin graduate, will teach in the Jefferson high school there.

2 Industrial Clean Air Plans Adequate

Henry Bieniecki, chairman of Granite City's Air Pollution Control board, today said American Steel Foundries and Union Starch & Refining Co. have planned their emission reduction programs to cope with the anticipated tighter limitations of the federal government.

The city clean air board had been critical of the firms at its July 8 meeting, but Bieniecki said the technical data in the control programs submitted by the firms has been studied further and found to be more than adequate.

"This criticism wouldn't have occurred if the Air Pollution board had the services of a full-time technical secretary," the chairman said.

Letters were sent this week to officials of the two plants advising them of the adequacy of their emission control programs, Bieniecki said. He added that a public hearing planned for next September probably will be held so the public will be informed.

Lots of Ice Now At State Hospital

Eight beat-the-heat automatic ice makers have been installed at Alton State Hospital, at a total cost of approximately \$8800.

James Hillery, chief engineer, said that prior to the new installations, the hospital had only four machines and it was necessary during the extreme hot weather to buy ice by the bushel in downtown Alton.

"Outside purchases will not be necessary now, as three of the new machines produce 225 pounds in a 24-hour period, and five large machines produce 550 pounds, the engineer said. During last July and August, 1287 bushels of ice were purchased at one dollar each to supplement the demands made upon the four machines that produced a total of 600 pounds per day. Total production now is 4025 pounds.

Pete Golgin, dietary manager, remarked—"On a hot summer day, we can expect to use over a ton of ice per day. The additional machines installed on the ward dining rooms make the ice readily accessible as needed."

Miles Lab Credits GC Plant for Sales And Earning Gains

Miles Laboratories, Inc., today reported record sales and earnings for the first six months of the year and credited major gains to the improved operation of its Union Division (Union Starch & Refining Co.).

President Walter A. Compton, MD, at Elkhart, Ind., said first half sales of the pharmaceutical and chemical company totaled \$102,470,000, an increase of almost 5% over the \$98,000,000 reported in the like period of 1967. Earnings climbed 27% to \$4,833,000 from \$3,809,000 a year ago and were equivalent to \$1.09 a share compared with 89 cents.

"While second quarter sales of \$48,500,000 remained at the same high level as the record-setting \$48,677,000 in 1967, earnings climbed 14% to \$2,290,000 from \$2,005,000. This was equivalent to 52 cents a share against 47 cents in the second quarter of 1967," Dr. Compton said.

Organization, Modernization. He attributed the major share of the second quarter earnings improvement to the company's corn wet-milling operation at Granite City, through better organization, improved management practices and plant modernization. A consistently applied company-wide cost control program instituted in 1967 is continuing to contribute to earnings.

Dr. Compton noted that the Federal Trade Commission has approved the purchase of the S. O. S. business from General Foods Corporation for \$6 million. He said that when the details of a formal agreement are worked out, Miles Laboratories will have made a major step in establishing a marketing and distribution organization in the household products field which can immediately contribute to corporate earnings.

"Miles Laboratories," he stated, "intends to aggressively produce, promote, and develop the S. O. S. product line in the same manner as we now do with the other products of the company."

"With the acquisition of the S. O. S. business," Dr. Compton stated, "we will have taken another significant step in the company's active diversification program which presently encompasses consumer drug products, fine chemicals, electronic reagents, electronic medical instruments, biochemical research products, professional pharmaceuticals, laboratory equipment, and enzymes."

He held shareholders be was optimistic about the future of the second half of the year. "Earnings should continue to improve over those of last year," he said, "but at a somewhat more moderate rate than that experienced in the first half of 1968."

Girl, 4, Loses Purse
Mrs. Edna Jones, 2429 East 25th street, reported at 5:30 p.m. Thursday that while she was visiting a friend, her four-year-old daughter took her purse outside and it disappeared. It contained \$30 plus \$40 in food stamps and a medical card.

ENGAGED. Miss Geraldine Hicks, whose parents, Mr. and Mrs. Gerald Hicks, 2238 Nevada avenue, are announcing her betrothal to Jerry Rae Malone, a son of Mrs. Martha Malone, East St. Louis.

MRS. CHARLES E. SMITH, a bride of Saturday. Before her wedding at Concordia Lutheran Church, she was Linda Ann Ballhorn.

Miss Ballhorn, Chas. Smith Exchange Wedding Vows

Miss Linda Ann Ballhorn and Charles E. Smith exchanged wedding vows in a ceremony taking place Saturday evening at Concordia Lutheran Church.

The bride's parents are Mr. and Mrs. John Ballhorn, 2825 Wayne avenue. Mr. Smith is a son of Mr. and Mrs. Charles Smith, 1322 Oriole street, Venice.

Rev. Arvin Twietmeyer performed the double-ring ceremony at 7:30 and a reception was held directly afterward in the parish hall.

Miss Phyllis Boda presided at the organ and accompanied the vocalist, Mrs. Toni Whitten, as she sang "Let Us Ever Walk With Jesus" and "O Holy Spirit Enter In."

The former Miss Ballhorn chose a gown of pure white organza. Full-length, it was designed with long tapered sleeves and imported re-embroidered Alencon lace on an Empire bodice topped with a ring collar. The A-line skirt was encircled with scalloped lace and appliques of lace were scattered throughout the court train.

A cluster of looped petals formed a double bouffant flat bow trimmed with lace, seed pearls and crystals holding in place a short tiered veil of imported silk illusion.

The bride carried a colonial cascade of pink Sweetheart roses, white Elegance carnations, lilies of the valley and greenery.

Mr. Ballhorn gave his daughter in marriage. They were preceded down the aisle by a maid of honor, Miss Cathy Evans, and three bridesmaids, Miss

Judy Grace, a cousin of the bride, Mrs. Don Nowicki, the bridegroom's sister, and Miss Linda Loser.

The honor attendant wore a floor-length gown of candy pink with a petal pink Empire bodice. It was styled with a round neckline and brief sleeves. An A-line saki fabric skirt had a huge bow and a panel matching the bodice fell from the back.

A candy pink cluster of daisies secured a nose tip veil and she carried a simplicity bouquet of pink daisies with pink streamers. The gowns of the maids were the same with the colors reversed.

The groom was attended by Frank Broyles, a cousin, best man, and Robert McIntosh, Dennis Groce, and Ricky Foley groomsmen.

A teal blue street length sheath dress embroidered with lace and white accessories was worn by the bride's mother.

Mrs. Smith, the bridegroom's mother, chose a mint green sheath dress with a matching lace coat. Both wore white cymbidium orchid corsages.

Bouquets of white and pink flowers adorned the altar lit with burning candles in arched candelabra and candles in brass aisle standards illuminated the aisle through which the procession passed.

Miss Sue Cunico of St. Louis presided over the guest book. The bride was graduated from Granite City high school. She is employed by the National Labor Relations Board in St. Louis. Mr. Smith is presently serving in the U.S. Marine Corps. He is a graduate of Venice high school.

Kathy Browning Becomes Bride of Danny Miller

Rev. Fred Latch, pastor of the Mt. Zion General Baptist Church, officiated at the wedding of Miss Kathy Browning and Danny Miller on Saturday afternoon at the church.

She is the daughter of Mr. and Mrs. Robert Browning, 2336 Paul Street, and the groom's parents, Mr. and Mrs. Chester Miller reside at 2190 Delmar avenue.

The bride wore a full length gown fashioned with a sleeveless lace bodice and a rounded neckline, with a full organza skirt. A forward headpiece secured a triple tiered bouffant veil and she carried a colonial bouquet of white pom poms and greenery.

Miss Sandy Parson, the only attendant, chose a formal length gown in yellow, designed as an A-line, with a round neckline and her flowers were an arrangement of yellow daisies.

A 5 o'clock reception was held for the guests at Kirkpatrick Home Recreation Hall.

The former Miss Browning is a senior student at Granite City high school and will return to school in the fall. Mr. Miller is awaiting his orders from the U. S. Army and his departure date.

RETURN FROM EAST

Mr. and Mrs. Louis Shabo and son, Rick of 1883 Third street, returned from a motor trip in the east. In eight days they went to Fredericksburg, Va., and Washington, D. C.

There they toured the White House and the Capitol, where they viewed Lincoln's Memorial and Washington's Monument and the graves of the late president and his brother, John and Robert Kennedy at Arlington Cemetery. On their return, the Shabos were houseguests of Mr. and Mrs. James Hession in Indianapolis, Ind.

Mrs. Hession is a sister of Louis. The Shabos arrived back in Madison Wednesday.

Mrs. Ella Webb was hostess to the Third Thursday club in 1967. The club members were Mrs. Webb and Mrs. Opal Fegle, sister of Mrs. Webb. Prizes were awarded.

Refreshments were served by Mrs. Webb and Mrs. Fegle. Others in attendance were Mrs. Cornelia Hommert, Mrs. Helen Richardson, Mrs. Rose Richardson, Mrs. Fay Little, Mrs. Gladys Bass, Mrs. Edna Foley, Mrs. Laural Purcell, Mrs. Ruby Hocking, Mrs. Helen

Attending the couple were Miss Karen Scheib, a sister of the bride, and Nick A. Kostoff, a brother of the bridegroom.

After a brief wedding trip to the Ozarks, the newlyweds will make their home at 2431 Iowa street.

The bride was graduated in 1967 from the local high school. She is employed in St. Louis.

Mr. Kostoff also is a local high school graduate. He is an employee of Granite City Steel Co.

Daley and Mrs. Lenna Williams. Mrs. Foley will be hostess in August. Mrs. Little and Mrs. Rose Richardson were honored with birthday gifts from secret pals.

BIRTHDAY OBSERVANCE

The birthday of Paul Taylor was observed with a party planned by Mrs. Taylor in their home, 2021 Beckwith avenue, Thursday evening.

Homemade ice cream and cake were served to Mr. and Mrs. Leon Taylor and sons, Tony and Mike, Mr. and Mrs. William Federchak and children, Billy and Deborah, Mr. and Mrs. Winston Melvov and son, Jess, and daughter, Leanne, Mr. and Mrs. Al Wilmoth, Mrs. Edith Collins and Terri Taylor.

DISTRICT OFFICER
SPEAKER AT WSCS

The Women's Society of Christian Service met at the United Methodist Church Thursday evening for its monthly meeting.

Mrs. Karen Draper, vice-president of the district conference, was guest speaker. She spoke of changes being made in the society and also used a topic, "What is Poverty?" with the group discussed. Mrs. Draper closed by offering assistance in forming the program for the year.

During a short business meeting, the annual chicken dinner

and bazaar was discussed. It has been set for Oct. 5. Other organizations of the church will participate in the project.

Those taking part in the meeting were Mrs. Harry Johnson, Mrs. Nova Sanders, Mrs. Amanda Hill, Mrs. Thelma Black, Mrs. John Draper, Mrs. Ann Ritter and Mrs. Estella McBrian.

Mrs. Hazel Reynolds and Mrs. Meta Wilkins served refreshments.

QUILTERS DEVOTIONAL

Mrs. Ruth Roberts, Mrs. Nova Sanders, Mrs. Cornelia Hommert, Mrs. Amanda Hill, Mrs. Ann Ritter and Mrs. Jewel Jones met at the United Methodist Church Thursday morning for a day of quilting.

Mrs. Hommert gave the devotional during a lunch period, and a church magazine topic was explained. The ladies will meet again this Thursday.

YEVINS HOSTED AT GARDEN PARTY

A garden party was given Saturday evening in honor of Mr. and Mrs. John Yevin and sons, Ronald and Don, of Phoenix, Ariz.

The Yevin family is spending a two-week vacation visiting friends and relatives. They are staying at the home of Mr. and Mrs. Kenneth Williams.

A buffet dinner was served to Mr. and Mrs. Sam Revach, Mr. and Mrs. Arthur Revach, Mrs. Verna Gages, Mr. and

Mrs. Dave Hrysko, Mr. and Mrs. George Yevin and children, Bernard and Mary Ann, Mr. and Mrs. Norman Mah and children, Becky, Karen, Connie and Thomas, Mrs. Ed Kube and son, Edward, Ron Holland, Mr. and Mrs. Kenneth Williams and son, Tom, Mr. and Mrs. Tony Kruta and the hosts, Mr. and Mrs. Mike Hrysko.

BRIDAL SHOWER HONORS MISS WANDA JACKSON

The Jackson home, 1630 Harris street, was appropriately decorated for a bridal shower given Thursday evening, honoring Miss Wanda Jackson, who will become the bride of Harry Stephens Aug. 18.

The shower was given by Mrs. Mary Goes and Mrs. Betty Warnecke, sisters of the honoree.

Games were played, with prizes awarded to each winner. Miss Jackie Thompson assisted the bride-to-be in opening her gifts. Miss Thompson will be a bridesmaid for the honoree.

Others at the home were Mrs. Margaret Dirksen, Mrs. Mabel Determan and Mrs. Viola Ferrel of Edwardsville, Mrs. Virginia Groff of Florissant, Mo., Mrs. Mildred Jackson, the honoree's mother, Mrs. Charles C. Give Youths 'All the Advantages'

(Lewisville, Tex., Leader)

It came to us like a shot out of the blue the other day that, according to the views of so many sociologists today, we would have been considered as "disadvantaged" in our youth. We didn't have an allowance. We had to work for the things we got. If we wanted them badly enough, we were handed something to find enough odd jobs to get them.

But we can't recall ever feeling "disadvantaged" . . . or sorry for ourselves.

After reaching adulthood, we've frequently thanked our lucky stars that we didn't have things handed to us on a silver platter. It has made us grateful for all small or large favors.

Maybe our personal experience as a "disadvantaged" youth has caused us to appreciate greatly a little squib we picked up from some magazine. The author is unknown, but the message he left behind is one with great merit.

It follows:

"I want my son to have all the advantages I can give him . . .

"Such as having to earn his own allowance by running errands, cutting lawns.

"Such as getting good grades in school—getting them because he wants to, and because he knows what it would do to me if he didn't.

"Such as being proud to be clean and neat and decent.

"Such as standing up and standing proud when his country's flag goes by.

"Such as addressing elder friends of his parents as 'sir' and 'ma'am.'

"Such as having to learn his own way in the world and knowing he has to prepare for it by hard work, honest study, and sacrificing some of the pleasures and ease his friends may get from too indulgent parents.

"These are the advantages I want my son to have, because these are the things that will make him self-respecting and self-reliant and successful. And that is the happiness I want him to have."

Possibly the reason the author of this article is unknown is due to embarrassment. He doesn't want anyone to know he is this corny . . . or square.

But he shouldn't be. The wisest, most generous legacy a parent can hand down to a child, cutting lawns.

Voter Registration In Progress

(Tri-City and Illinois Bar Associations)

Now is the time to be sure you are registered to vote in the general election Nov. 5.

Many would-be voters are turned away from the polls each election day because their names cannot be found on the lists of registered voters.

The most common mix-up over registration is due to change of address. People register to vote in their voting precincts and must re-register or transfer their registrations whenever they move from one precinct to another, even within the same county.

In order to vote in state or local elections, a person must have lived in Illinois for one year, in a county for 90 days, and in a voting precinct of that county for 30 days. Anyone who moves from one precinct to another should act promptly to register before the deadline for registration.

A special provision in Illinois law makes it possible for people to vote for President and Vice-President even though

they may not meet residence requirements to vote for state or local political offices or issues.

Thus, a newcomer to the state, or a person who moves from one Illinois county to another, can vote in the presidential election, if he resides permanently in a voting precinct for 60 days next preceding the election day, and if he was a qualified voter in the place of his prior residence.

Those who wish to vote under the 60-day provision must appear in person at the office of the county clerk not more than 30 days nor less than 15 days before the election. Their qualified voter status in the state or county of previous residence must be verified.

Failure to exercise the right to vote is another reason for temporary loss of the privilege.

The name of any person who hasn't voted within the past four years is removed from the election rolls. That person then must re-register at least 28 days prior to the election.

Numbering Makes Us All Unique

(Internal Revenue Service)

Q—A mistake in my Social Security number held up my income tax refund for weeks. Why is this number so important?

A—Because so many taxpayers have the same name, your Social Security number is the only positive identification of you to account with IRS. Names change, too, as marital status changes.

Congress passed a law several years ago requiring individuals to use tax identification numbers. Social Security numbers were selected for this purpose because most taxpayers already had one.

This number should be placed on all individual tax returns filed, correspondence with IRS concerning returns, payments for tax liabilities and similar documents.

The number should also be given to corporations and savings institutions to identify

dividend and interest payments.

Q—We're going to a tax dinner for a charitable organization. Won't this cost be deductible?

A—The cost of the tickets will be deductible to the extent it exceeds the value of the food and entertainment you receive. If the value of the meal and entertainment is indicated on the tickets, the sponsors of the event should be able to tell you.

Q—When do I have to pay Social Security tax for my maid?

A—The quarterly payments for the months of April, May and June is due by July 31. Use Form 942, "Employer's Quarterly tax return for Household Employees," a self-mailer, to file and pay this tax.

The yearly tax is due when cash wages of \$50 or more are paid to a household employee during a calendar quarter.

50 YEARS AGO

Friendly rivalry has existed between members of the Granite City police and fire departments for some time, and it was in that spirit that one of the departments issued a challenge to the other to play a game of ball, with proceeds to be donated to the Tri-City chapter of the American Red Cross. Mayor Kirkpatrick will umpire the game on the Lauff diamond. There has been much recent practice in both departments, and each team have not played a game of ball since their "kid days," when they played "one cat" on the corner lot.

Mrs. George Bollinger and children of Moberly, Mo., have been the guests of Dr. and Mrs. A. E. MacGillivray of 20th and D streets.

Two Madison county aliens were taken to St. Louis from Springfield and turned over to the U. S. marshal to be interned for the duration of the war. One had gone, without a permit, to near the munitions works at East Alton.

tional programs that will enhance the business and civic community.

"The most difficult problem is to develop positive attitudes among the merchants in the central business district with regard to promotional programs. But promotional programs are directly tied to the long-range program required to create in the minds of the people of the area the image that the Granite City central business district is alive and vital and programmed to meet the needs of the modern family."

Step Up Precautions For Fall Election Procedures This Fall

A discovery count by the Madison county election canvass board shows that an incumbent Nameoki township precinct committee member declared in June by five voters actually trailed his challenger by 31 votes (300-269). There were not enough defective ballots to account for the difference, even allowing for variances in opinion regarding borderline "X's." Nine unmarked ballots were found folded inside the ballot bag.

Since then, a Venice township committee member challenger listed as being defeated by 12-8 (12-8) has filed a suit, claiming that 21 persons saying they voted for him; if they are correct, he may have won by two votes. These do not necessarily constitute a pattern. But they do indicate a problem that county election authorities may wish to expand or improve the knowledge of election procedures held by poll judges, poll watchers and the general public.

We recall a few years ago when handling of Granite City school voting became lax and a number of teenage students cast ballots. Instructions later were intended and supervision was increased, remedying the situation.

Principal complaints voiced in recent years about general elections have involved alleged groupings of poll officials representing a political organization, (although technically Democrats and Republicans), rather than poll judges composed of a valid competing group; excessive instances of last-minute booth to persons supposedly handicapped by language or physical disability; boundary and residence confusion; uncertainty over accepting or rejecting ballots from those not on poll registration books; careless handling of sample or marked ballots within or near polling places; and failure to account for the exact number of ballots issued to judges.

Fears by some people regarding such practices may be unfounded or exaggerated, and certainly some degree of public ignorance about election procedures may always exist. But in view of the extreme importance of fair elections, accelerated precautions would be appropriate this fall.

Timely Ward Representation Suit

Regardless of the eventual outcome of the suit filed by Alderman Fry against himself and other Granite City council members, it is heartening to see steps being taken to get the issue of ward representation off "dead center" well in advance of the 1969 city election. If the suit had not been filed now, the municipality would have remained vulnerable to court action at a time probably less convenient to voters and prospective candidates.

Swimming, Fishing Attractiveness of Illinois Streams Decreasing

(Illinois Committee for Pure Air and Water)

Five years ago, the autumn breezes on Lake Michigan were far from fresh. There were 10,000 dead and decaying gulls and loons piled along the south and west shores. The following year, 500 more birds were found on the northern lake boundary.

No one is sure of the exact cause of the birds' deaths. But U. S. Fish and Wildlife biologists who investigated the incident suspect that the cause was pollution—they can't definitely say what kind.

A decade ago, the huge dam area at Richard Lake in northern Illinois was a haven for swimmers and fishermen as the water cascaded in waves over the spillway and splashed down the deep rocky gorge.

Now, the scene is a tragic wasteland. The rocks are like skeletons in the sun; the trickle of water off the spillway is slimy and green; the rotting bodies of dead fish are strewn about.

There is no swimming allowed in that area. In fact, out of the hundreds of acres of water in the sprawling Clarksville area, swimming is allowed only in a few small spots. The water is so polluted that it is a minimum.

It's sad but true that these two instances are only a tiny part of the entire water resources crisis in Illinois. Almost none of Illinois' rivers and streams are safe for swimming or water skiing. Fish and aquatic life has been destroyed.

Dear Master F.: The question of subscribing to a Soviet publication is a matter for individual decision. The Department of State has no objection to this, nor do any United States government regulations prohibit it.

However, the Soviet government might include the names of Americans who receive this publication on mailing lists for propaganda materials.

Illinois in 1818—Lincoln a Captain As Mounted Volunteers from State Chased, Defeated Indians in North

Participation by the Illinois militia in the Black Hawk War of 1832 began.

Brigadier General Samuel Whiteside marched his brigade to the mouth of Rock River, where the men were received into United States service, and then to Dixon.

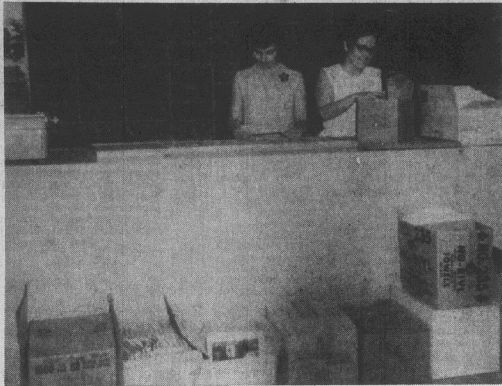

Major Isaiah Stillman and Major Bailey were sent on a scouting assignment. They were ambushed by Black Hawk's warriors at a place now called Stillman Valley, losing 11 men killed.

This fight of May 15 is called Stillman's Run because most of the men ran all the way back to Dixon for their credit. However, they re-enlisted for 15 days when their time was up, becoming the Fifth Regiment.

Whiteside's Brigade was sent in pursuit of Indians who had massacred settlers along Indian Creek, near Ottawa, but it failed to find them. The brigade was discharged May 27 and 28.

The Governor had called for 2000 more men to assemble in June. To fill the gap, 1000 of the disbanded men were recruited to serve

New Grigsby Junior High School Readied for Fall Term

TASK OF FILING voluminous records already has begun in office of new Paul A. Grigsby junior high school at Pontoon road and Cargill Elevator road. School will open for fall term and will have a beginning enrollment of about 800 pupils. Mrs. Mildred Chandler and Mrs. Nancy Rosales sort records for filing.

Expect Enrollment of 800 At \$1.7 Million Structure; Many New Educational Features in Modern School

Paul A. Grigsby junior high school, classed as one of the most modern and updated educational facilities in the country, will open this fall for a projected enrollment of 800 pupils to greatly relieve mounting congestion at the junior high school level in the Granite City school system.

Built and equipped at a cost exceeding \$1.7 millions, Grigsby junior high school will initiate several innovations in classroom operation and library study methods, will provide one of the best equipped cafeterias in the school district and will give its athletic program the most expensive and best designed gymnasium.

The school is in its final construction stage at the moment, with only a few finishing touches yet to be made—completion of floor tiling, wall painting in some areas and installation of furnishings in the classrooms and offices. These will be completed in ample time for the fall school opening on Aug. 27.

To Relieve Overcrowding
B. J. Davis, Granite City school superintendent, said opening of the new installation will bring long-sought relief to the junior high school system which last year was extensively overcrowded with enrollment of 3184 pupils, of which 1683 were assigned to Coolidge junior high school alone. Central junior high school last year handled 741 pupils, with another 840 in Prather.

Opening of the Grigsby school, Davis explained, will cut the 1968-69 projected enrollment of Coolidge junior high school to 1239 pupils this fall. Thus the new school will provide the greatest relief for

Coolidge. Estimated fall enrollment for Prather will be cut to 789 and that for Central is now estimated at 656, Davis added.

These projected enrollments take into consideration annual increases in school enrollment at all levels—elementary, junior high school and senior high school. The new school will offer no relief to elementary and high school enrollments which, Davis said, are separate problems that must be met in the immediate future with new building programs.

The new school building of one-story brick construction is built in a series of connecting wings that include an administration section consisting of offices for the principal and assistant principal, two counseling offices, a nurses office, conference rooms and a reception area.

Other Wings

Other wings house four science rooms, three shop areas, two home economic rooms, six social study rooms, four math rooms, two art rooms, gymnasium, cafeteria, vocal music room, band room and a band practice room. Other facilities include a teachers' lounge and teachers' conference room. Four major rest room areas are located in different sections of the building.

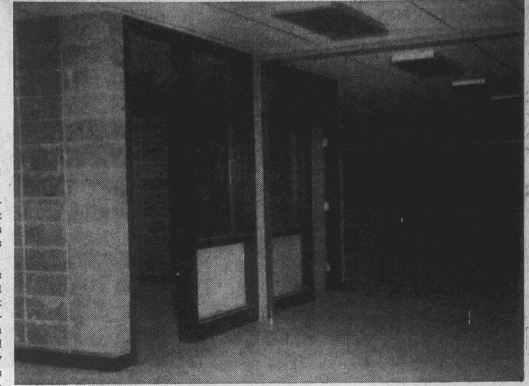

Covering a total of 74,920 square feet, the school is built on a 20-acre tract of land about a block south of Pontoon road and near the westerly limits of the village of Pontoon Beach. Its location was, and still is, the object of court action involving annexation of the tract by the city of Granite City.

Early in the construction period which began nearly two years ago, Granite City annexed the tract at the request of the school district so that the school sewers could be hooked into the Granite City sanitary system. Nameoki township officials protested legality of the annexation action by Granite City and since has filed proceedings in circuit court to retain the area as part of Nameoki township.

Study Innovations

Outstanding innovations in the junior high school building are installation of sound-proof rooms in the library and in the six social studies rooms, also known as "block" rooms because they are large enough to be divided by use of built-in folding partitions and thus used as two standard classrooms or one large classroom.

In the library the soundproof rooms provide a place where pupils may use tape recorders, record players or even projection machines in application of diversified methods of instruction.

SOUNDPROOF 'CORRALS' located in each of six large 'block' rooms at Grigsby junior high school provide facilities for teacher-pupil conferences while class is in session. Glass windows provide full view of classroom. Block rooms may be divided into two standard-size classrooms by a folding partition or used as one large classroom. Conference booths may be entered from either room when block room is divided into two sections.

tion. Upper half of the booths are glassed in, providing a full view of the library room. These booths also may be used for private consultation on study subjects."

Davis said these booths for library use are entirely new in schools and that he has never seen them employed before. Similar booths, only on a smaller scale, are located at one end of each of the six "block rooms," to provide conference facilities for teachers and pupils during class periods. These also are mostly of glass construction so that teachers may retain a full view of the classroom while conferring privately with other pupils and other teachers.

Charles Weiss Principal

The block rooms provide space equivalent to two standard classrooms so that they may be divided into two classrooms or used as one large single classroom. The soundproof conference booths are located at one end and in the center of each block room so that they may be entered from either room when the room is divided.

Charles Weiss, principal at Central junior high school, has been assigned as principal of Grigsby. Weiss' assistant principal will be Kenneth Spalding, formerly a teacher at the senior high school. Michael Sikora, assistant principal at Prather junior high will succeed Weiss at Central as principal there.

Supt. Davis said a teaching force of 37 teachers will be required at the new junior high school and that assignments for practically all of these positions have been made. He said the entire district is now about 24 teachers short of meeting all requirements for the fall term.

General contractor for the construction was Leo Wolf Co. Contractors. Architects were Gabriel & Dulgeroff of Granite City.

PERSPECTIVE OF BUILDING depth is shown in this photo taken from main entrance of Grigsby junior high school building. Workmen are placing finishing touches on the job of floor tiling as construction work nears completion for opening Aug. 27.

GRIGSBY JHS STATISTICS

OPENING DATE: August 27.

PROJECTED ENROLLMENT: Seven hundred seventy-five to 880 pupils.

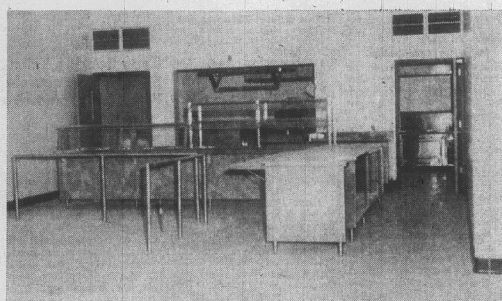

FACILITIES: Administration wing, four science rooms, three shop areas, two home economic rooms, six social study rooms, four math rooms, two art rooms, gymnasium, cafeteria, vocal music room, band room, band practice room, teachers lounge teachers' lounge, conference room and four major rest room areas.

BUILDING AREA: Floor space of 74,920 square feet located in 20-acre tract.

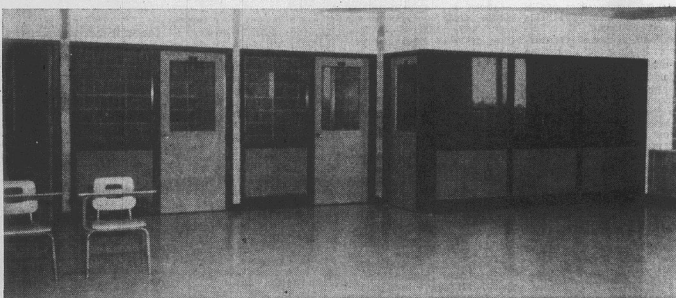

COST: Building and furnishings in excess of \$1.7 million.

GENERAL CONTRACTOR: Leo Wolf Contractors.

ARCHITECT: Gabriel & Dulgeroff.

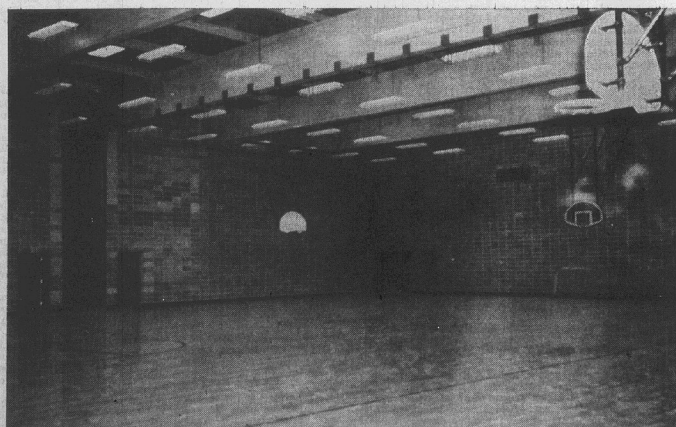

CAFETERIA at new Grigsby school contains latest developments in equipment and furnishings. This is one of two serving areas, each located on opposite sides of the room. Cafeteria will be most modern in Granite City school system.

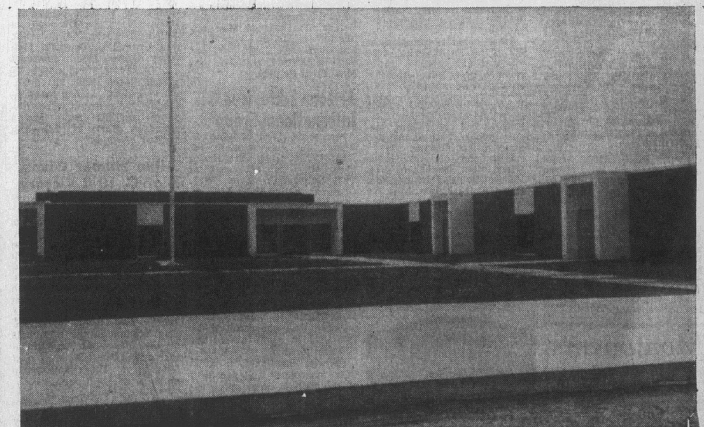

INNOVATION IN LIBRARY study methods is provided by these soundproof booths. Rooms are available for use of tape recorder, record player or

projection machine in application of advanced audio and visual study practices. School officials note the system is entirely new in library operation.

GYMNASIUM FOR GRIGSBY JHS athletes features latest design with window openings inserted in roof to eliminate sunlight heat and glare resulting

from standard practice of placing windows around side of building. Bleacher-type seats are yet to be installed on one side of the gym.

VIEW OF MAIN ENTRANCE to the new Paul A. Grigsby junior high school, Pontoon road and Cargill Elevator road. The wing at right houses

administration section of building. The building is designed in series of wings, covers 74,920 square feet of building space on 20-acre tract of land.

Vocational Education Bill Clears Senate

Congressman Melvin Price, (D) East St. Louis, reported from Washington Friday that the prospects for locating a Comprehensive Vocational Education Facility in the Madison-St. Clair county area has brightened considerably as the Senate has cleared the Vocational Education Amendments of 1968.

The House of Representatives passed a similar bill last Monday afternoon.

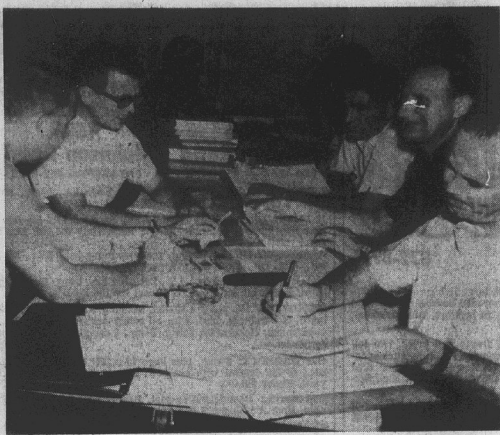

Cong. Price, who cosponsored the bill in the House, has no doubt that the differences in the House and Senate versions of the act which are relatively minor can be easily worked out. "I was a bit worried," he asserted, "that the bill might be lost in our rush for adjournment. Now that it seems likely we'll be back here after the National Conventions, I'm sure we can produce a good bill that will be helpful to our area of Illinois."

He was referring to the fact that it now seems likely that both the House and the Senate will return to Washington to complete action on some major legislation after the Republican and Democratic Conventions in August.

Cong. Price reported earlier this week on Monday some features of the Vocational Education Amendments that would help this area obtain a Residential Vocational Education Facility. These include a state-wide matching funds provision which will make it easier for impoverished school districts to obtain federal funds, and the fact that the government will now pay up to 90% of costs of operation and construction of residential facilities.

Vandals Damage Home

Vandals removed a glass from the rear garage door at the home of James Morrison, 1819 Lindell blvd., and inside the garage smeared paint and painted obscene words on the walls. The automatic washer in the garage also was turned on and overflowed, water ran into the kitchen of the house.

SUMMER WORKSHOP in Language Arts, held at Lake School, daily for 18 teachers and two principals. Clockwise from the left, they are — Walter Padgett, teacher at Grigsby Junior high; John Haug, teacher at Coolidge Junior high; Gerald Bushue, principal at Niedringhaus; Richard Brinkoff, assistant director of Gifted Program; Ray Fyalka, teacher at Prather Junior high; Roy McConkey, counselor at Granite City senior high; and Carroll Chamness, teacher at the senior high school.

Three Autos Damaged in Madison Ave. Crash

Three autos were damaged about 1:30 a.m. Saturday in the 2000 block of Madison avenue. Police said the northbound auto of John Nishke, 1609 Third street, struck the right rear of the northbound auto of Laura Scarborough, 2800 Indiana avenue, causing it to hit the parked car of Charles Hasse, 2612 Madison avenue.

The Scarborough auto then went out of control and veered across the street to strike a utility pole.

Language Arts Workshop For Teachers Nears End

A fifteen-day workshop in Language Arts curriculum development, involving 18 teachers and two principals from the Granite City Schools, will end Friday.

Participating personnel range from kindergarten to senior high school teachers, and the scope of the work under way embraces learnings for students at all levels.

Workshop sessions held daily from 1 to 4 p.m. at Lake school have been devoted to the writing of a complete curriculum guide in Language Arts, including the defining of objectives, specific skills to be taught, recommended activities for the attainment of skills, evaluate measures to be employed, basic materials to be used, suggested supplementary resources, and alternative methods and strategies which teachers may find successful.

The undertaking is an extension of curriculum improvement projects begun earlier by committees headed by Mrs. Sara Sowell, director of the Gifted Program, and Carroll Chamness, chairman of the Language Arts Curriculum committee and senior high school English teacher.

The format of the guide currently being produced is described as unique in that objectives, a multiplicity of teaching approaches, and recommended materials appear in a parallel arrangement rather than as sequential sections of the guide.

Not all segments of the scope and sequence sections of the guide will apply to all students. Some parts of the structure have been developed for students identified as gifted.

**Jury Session Called
For Criminal Cases**
A special jury panel to handle criminal cases was called Friday for Aug. 19 by Chief Circuit Judge Harold R. Clark. It will last two weeks.

Judge Clark noted that a backlog of criminal cases has become a problem of great public concern, and that the county jail is crowded.

Forty-four criminal cases are now pending, excluding those involving fugitives, and their have been 83 grand jury indictments during the year. The grand jury is to be recalled Aug. 5 to consider all pending matters, Judge Clark said.

The courts will give priority to criminal cases, and we will make judges available for the cases as soon as they can be prepared by the office of the state's attorney and the defense attorney," he added.

Ald. Bartosiak Favors Buying Land for Ditch

Alderman Edmund Bartosiak, chairman of the Granite City council's Special Sewer committee (both the mayor's and the council's committees), advised the Press-Record Friday that he is in no manner supporting the closing of August street to get the storm water ditch easement from Granite City Steel Co.

"I favor condemnation and purchase of the needed property from general funds," Bartosiak said, adding that he never felt the city should give up August street because of its convenience for East Granite residents.

The easement from Granite City Steel Co. is needed for the storm water drainage system being installed by the city. The steel mill has offered to give the needed land to the city in exchange for the August street right-of-way between East 23rd street and Edwardsville road which bisects its property.

Location of the ditch, which is to connect onto the Nameo area storm water drainage ditch, would be along East 23rd street, Nameo road and Edwardsville road—entirely on steel mill property.

Bartosiak also advised the Press-Record that a special improvement project in his ward was omitted from the listing in Thursday's article on the city council budget proposal. Washington avenue is included for resurfacing from 24th to 27th street at a cost of \$15,000.

Mrs. Anna Janek, 79, Dies; Services Today

Mrs. Anna M. Janek, nee Pavlik, 79, of 2318 East 21st street, died at 8 p.m. Thursday at St. Elizabeth Hospital.

She has been ill for two months and in the hospital 11 days.

A native of Czechoslovakia, she had resided locally for 50 years and in Bonne Terre, Mo., for 11 years prior to moving here.

She was a member of St. Joseph Roman Catholic Church and a member of the First Catholic Slavic Ladies Union, Branch 362.

Her husband, John Janek, died in February 1928, and a son, Sgt. Henry T. Janek was killed in action in Italy, October 1944 during world war II.

Survivors include two daughters, Mrs. John (Elizabeth) Jakupcin and Mrs. Frank (Mary) Toth; and two sons, John Janek and Edward Janek all of Granite City; one sister, Mrs. Elizabeth Bulno of Joplin, Mo.; ten grandchildren and 7 great-grandchildren.

Services were held today. Further information is given in today's obituary column.

CAPT. CHAS. JOHNSON
Promoted

Charles Johnson is Promoted to Captain

Charles O. Johnson, who has received numerous decorations and citations while serving in the U. S. Army in Vietnam, was also promoted from rank of first lieutenant to captain the day before departing for the United States. The promotion came at the conclusion of his year's tour of duty overseas.

Among the honors bestowed on the serviceman in Vietnam was the Silver Star-Valor, Distinguished Flying Cross-Valor, Bronze Star, for meritorious service in ground operations against hostile forces, the Air Medal with 16 Oakleaf clusters and the Purple Heart Medal.

His wife, Mrs. Joyce Johnson, resides at 19 Lakeview drive, Granite City, and his parents, Mr. and Mrs. Paul B. Johnson make their home at Rural Route One, Hayti, Mo.

Capt. Johnson was graduated from Gray Ridge, Mo., high school in 1961 and entered the Army in 1965. While overseas he served as a weapons section commander in Troop D, 3rd Squadron of the 25th In-

Poag Melon Crop Is Late this Year

Ray Waugh, Poag cantaloupe and watermelon grower, said today the season will be a little late this year. He does not expect the home grown cantaloupe to be ready until about Aug. 10 with the watermelons coming in ten to 15 days later.

The Waugh family will sell their produce at their "Melon Shed" on Poag road through September. Melons that are available now are being shipped in from the southern states.

Although it is difficult to predict the size of the crop, Mrs. Waugh said, "The vines look good and we expect an average yield this year."

Services at Roodhouse

Funeral services were held Thursday at Roodhouse for Harold Wilkinson, 73, of Patter-

son, Ill., brother of Mrs. Ruby Rutledge, 2030 Bryan avenue. Mr. Wilkinson died last Monday night at a hospital in Jacksonville following a lengthy illness.

Infantry Division's 4th Cavalry. He was previously stationed at Fort Rucker, Ala.

Presently home on leave, he will report at Fort Leonard Wood, Mo. for re-assignment as he has two more years to serve on his current enlistment.

County Museum Hosts 2498 in Six Months

The Madison county historical museum in Edwardsville was host to 2498 guests during the first half of 1968, it was reported by Mrs. Ruby C. Harris, superintendent.

There were 1536 regular visitors and 962 pupils and adults from 42 schools or scout troops. Included were persons from Missouri, Ohio, Michigan, Utah, California, Texas, Maine, New Jersey, Florida, New Hampshire, New York, Minnesota, Washington, D.C., Arkansas, Australia, Iceland and England.

Twenty-six volunteers spent 498 hours assisting at the museum, in addition to two scouts for 51 hours. Fifty-three items of historic interest were presented to the museum.

The staff and a museum board member contributed to nine programs in the county, and staff received 88 requests for historic information or assistance by visits or correspondence.

At the end of a day spent in the city, rich and rewarding as it may be, have you ever yearned to return to something more than just look-alike Suburbia? ... to a truly uncommon setting for your dream home? ... to exclusivity? ... to privacy? ... to a little bit of heaven?

Start to live in LAKEWOOD II

... where the seasons put on one dramatic, captivating display after another.

... where the country air is sweet and clear.

... where privacy is a priceless asset.

... where outdoor entertaining is a natural, distinctively different, irresistible part of living.

... where outdoor activities beckon you to unwind and have fun.

... where "Commons" have been preserved for your family enjoyment, separating the sites so that none are back to back!

... where you are only minutes away from a wide variety of cultural, social, recreational, educational, business and shopping centers.

... where all utilities are underground.

See these luxury sites, located 1 1/2 miles south of Edwardsville just off Route 159. Phone 288-9652 or 288-9634 for private showing.

Card of Thanks 32

We wish to extend our heartfelt thanks and appreciation to our friends, neighbors and relatives for the acts of kindness, messages of sympathy and the beautiful floral offerings in the loss of our beloved father and grandfather, **WILLIAM R. KINDLE**. A special thanks to Rev. Snider, pallbearers and Mercer Funeral Home.

THE FAMILY OF WILLIAM R. KINDER 32-7-22

We wish to thank our kind friends and neighbors for their many acts of kindness and sympathy during the loss of our beloved mother and sister **CATHERINE FRANCES LEE**. We also extend our grateful thanks to Rev. Shea, Monsignor Klanner, Rev. Englebert, Rev. Morris and Rev. Guido. We extend our special thanks to all who sent food, messages of condolences, for the masses and floral tributes received. Our thanks to the pallbearers, who delivered our mother, the choir director, organist, church choir, servers and Lahey's Funeral Home.

CATHERINE FRANCES LEE 32-7-22

In Memoriam 33

In loving memory of **MARY V. GRUENFELDER**, July 27, 1894.

The sweetest soul the world could hold.

A loving smile, a heart of gold.

Who loved her will always know.

How much we lost four years ago.

For all of us she did her best.

God grant her, grant her Eternal rest.

Sadly missed by Husband, Children, Grandchildren, Sister and Mother.

32-7-22

In loving memory of my granddaughter, who passed away July 22, 1967, **PAMELA M. DIERKES** nee ROBERSON.

In my heart, your memory lingers.

Always tender, kind and true.

There's not a day, dear Pam That I don't think of you.

Sadly missed by Grandma and all who loved her.

32-7-22

In sad, but loving memory of our dear mother, **ETHEL M. ROY**, who passed away July 24, 1967.

Since death its gloom, its shadows cast.

Within our home where all seemed bright.

Was took from us a shining light.

We miss that guiding light and ever will.

Her vacant place, there's none can fill.

We mourn for you, but not in vain.

God grant that some day, we will meet again.

Sadly missed by sons, daughters, grandchildren, a brother and all who knew her.
